## KANARA WELFARE TRUST, ANKOLA

It was way back in 1953, that the Kanara Welfare Trust made a tryst with destiny. We are proud that Kanara Welfare Trust has completed 70 years of its useful and fruitful existence. Founder Chairman late Dr. Dinkar Desai wrote in one of his epigrams –

ನಡು ಹಗಲಿನಲ್ಲಿ ನನಗೆ ಬೀಳುವದು ಕನಸು  
ಈ ಕನಸಿನಿಂದ ಚಿಗುರುವದುಂಟು ಮನಸು  
ಒಂದೊಂದು ಚಿಗುರಿಗೂ ಒಂದೊಂದು ಶಾಲೆ  
ಮೂಡಿದರೆ ಶಾರದಾಂಬೆಗೆ ಪುಷ್ಪ ಮಾಲೆ

*"Right in the middle of the day, I dream  
and my mind gets inspired by the dream,  
schools one after the other sprout from my dream  
Goddess Saraswati gets a garland comprising  
these schools."*

**The message of the Trust** is very clear. Service is endless. Kanara Welfare Trust is nothing but humanism of Dr. Dinkar Desai personified. Thousands of beneficiaries of the trust living in different places of the District and also outside look up to it with a deep sense of gratitude and wish.

**Magnificent buildings**, laboratories, libraries and beautiful gardens hold out a proof to the development and activities of the Trust. It should be remembered that the Trust is something more than a collection of bricks and stones. It is a living and growing organisation. Thousands of well-wishers, philanthropic donors, admirers and not to speak of countless beneficiaries constitute this mighty organisation.

**By and large, Kanara Welfare Trust** has been able to achieve what is contained in the preamble. Observing the manifold activities of the Trust, an eminent person exclaimed, "The Trust by its significant service has almost established a University in the District of North Kanara". Today we have a network of Institutions all over the District. It has to its credit 45 Institutions – 4 Degree colleges, 2 PG Centres, 6 Junior Colleges, 17 High Schools, 10 Primary & Pre-Primary Schools, 2 Tailoring Schools, 2 Music Schools and 2 Computer Centres. It was started with a meagre amount of Rs.6,000 collected by the Raith Community and now the assets are more than 15 crores excluding the land. The family of the Trust is growing day by day and there has been a significant increase in the number of students. Total enrolment is about 9000. All these have been possible because of the careful and judicious management of the Trust.

**Saga of Kanara Welfare Trust** is the saga of sacrifice of one individual – Dr. Dinkar Desai – who was our great torch bearer and lent us all help to keep this torch burning and spread the light in to the farthest corners of the District. Since the death of Dr. Desai in 1982, the present Chairman, Shri S.P.Kamat is contributing his mite to keep the torch bright and blazing aloft. He is ably assisted by the other Trustees. The Trust has been conducting fresh and feasible experiments in the welfare of the people of this district from time to time under his dynamic leadership.

## FROM THE CHAIRMAN'S DESK

Kanara Welfare Trust is indeed an institution with a difference. Being rooted in the rural background of Uttar Kannada District, it has to balance the aspirations of the rural people and the modern requirements. Education is no more and it should not be any more a mere acquisition of knowledge for eking out a livelihood. It has a deeper meaning and a loftier purpose. The formal curriculum prescribed needs to be blended with methods of arousing latent potentialities in the child, enabling it to realise its own strength. The wholesome development of the personality of a child leading it to higher levels of understanding should be the purpose of education.

Today, India needs to be imbued with a new dynamism that calls for young men and women to shed off the shackles of small ideas, small means, small pleasures and small aims and be motivated to think and achieve higher goals in every walk of life. Education is the instrument through which alone, this purpose could be achieved. This has been the motto of Kanara Welfare Trust.

Kanara Welfare Trust has completed 70 years of its existence. This institution is an expression of a creative thought that germinated in a creative mind in a state of contemplation. Though this creative mind appears to be always in a flux and agitation influenced by the apparent shortcomings and deficiencies in the external system, in its deeper recesses there lies a lofty ideal, and a thought focussed on the possibility of overcoming these deficiencies and shortcomings experienced by the superficial mind. Dr. Dinkar Desai's life is an example to show how the creativity within can find its expression to meet the challenges of a given time. The Trust, which has its humble beginning, has today grown into a magnificent institution cherishing its own ideals and principles, and, in the process of providing life sustaining strength to thousands of young boys and girls in the form of formal education. This is the contribution of late Dr. Dinkar Desai to nation-building in the correct perspective.

The role of the Trust in shaping the new generations fired by the spark of awareness of noble ideals has been great. The Trust has the ability and perseverance to carry out this great responsibility. The Trust has been conducting fresh, feasible experiments in the welfare of the rural development for six decades. We look forward to the wholehearted co-operation of the people and hope that the ceaseless endeavour of the Trust may bear myriads of fruits in the years to come.

**KANARA WELFARE TRUST – then and now**

**K.V.Shetti**  
**Secretary, KWT**

It has been a long journey for Kanara Welfare Trust since its inception in 1953. Though started as an educational Institution to spread the seed of education among the rural populace, the Trust has transcended its boundaries and is now actively making strides in the field of primary health care and social welfare.

I have had the privilege of observing first-hand the efforts of the Trust's founder, Dr. Dinkar Desai, since I started my service in 1966 at Gokhale Centenary College, Ankola. A determined man, Dr. Desai left no stone unturned to create a network of schools & colleges across the length and breadth of this forest district of Uttar Kannada. He was ably supported by his then fellow Trustees in this noble endeavour. The main aim at that time was to provide basic education to the masses at a time where there were no Govt. schools in the vicinity.

Kanara Welfare Trust has more than addressed the need of providing Primary, High School & College Education to the people of this district. Dr. Dinkar Desai's legacy has continued unabated. With the change at the helm of affairs, there has also been a subtle transformation in the activities of the Trust. Our present Chairman, Shri S.P.Kamat, has contributed immensely to take the Trust in a new direction. He has brought in new ideas and resources to facilitate novel projects and schemes, which are being executed by the Trust. Through innovative schemes such as Project Change Makers for a Better Tomorrow, Lecture Series by eminent personalities, District Level Debate Competitions, Financial Assistance for Education, Mobile Health Care, etc. the Trust has been reaching out to the students and people in need from all strata of society. Under the able guidance and leadership of Shri S.P.Kamat, the Trust has established a name for itself on account of its transparency and ethical principles.

In the course of years, the Trust has made optimum use of its resources and modern technology. We have our own website ([www.kwtankola.com](http://www.kwtankola.com)) which provides information on the various activities of the Trust. Our Schools and Colleges are equipped with

computers and audio-visual technology which aid in learning. Remedial coaching is provided to academically weaker students. In-house refresher & orientation workshops are organized for the faculty and staff with expert resource persons in attendance. Annual Inspections are carried out to gauge the quality of education in all our Institutions and any shortfall is adequately addressed. A meeting of all the Heads of the Trust Institutions is organized every year to enable the Management and Institutions to interact with each other and chalk out the action plan for the year. Developmental activities, repairs & maintenance of existing facilities are promptly undertaken. Achievers among the faculty and student community are honoured timely.

Due to the Covid-19 situation and with the restrictions in place, most of our student centric and socio-cultural activities could not take place for the last 2-3 years. We are hoping to recommence all our activities shortly from this academic year onwards. We seek the cooperation and support of all the stakeholders.

The Trust has been managing presently more than 45 Institutions all over the district. The workload on the office staff has been continuously increasing due to several factors. As per the earlier deed, five Trustees were supposed to manage the Trust and give directions for the administration. One of the Trustees, Shri G.V.Bhat, expired on 31-12-2022. Another Trustee, Smt. Usha Pradhan, who was a member of the Board since 1983, resigned from the Trusteeship on 19-03-2023.

It was felt necessary and appropriate that the number of Trustees need to be increased from 5 to 7 to accommodate more Trustees who can take additional responsibilities and give proper direction for the administration of the Trust. Under the circumstances, the present Trustees unanimously decided to increase the number of Trustees from 5 to 7 and provide for more representation in the Board of Trustees.

Consequent to the amendment of the Trust Deed, and deliberations in the subsequent meetings of the Board of Trustees, the following persons were coopted as Trustees of Kanara Welfare Trust.

- 1. Shri Muralidhar Prabhu, Kumta**
- 2. Shri Ranjit Pradhan, Nashik**
- 3. Dr. V.N.Nayak, Ankola**
- 4. Dr. Krishna Prabhu, Ankola**

Shri Prashant N Rao, who was working as Special Coordinator of Kanara Welfare Trust, was appointed as Joint Secretary of the Trust.

I would like to thank the following individuals & organizations who have lent their support and strength to the Trust.

- Our Chairman, Shri S.P.Kamat, who also heads Kruger Foundation for Child Aid, Karwar, which has been sponsoring and supporting the many projects being executed by the Trust.
- Trustees of Kanara Welfare Trust for their timely suggestions and guidance in fulfilling the objectives of the Trust.
- Our students, alumni and the parent community who have always supported us.
- Representatives of the people who have looked at the Trust with respect.
- Members of the School Betterment Committees who have been helpful in taking up developmental works in our Schools.
- Donors, philanthropists, well-wishers who have been supporting the Trust and its Institutions.
- All the resource persons who have addressed and participated in our programs.
- All the Heads of our Institutions, teachers and staff – working & retired, who have been part of our extended family.
- Our Office Team, consisting of Shri Prashant N Rao (*Joint Secretary*), Shri Meenaxi M.Naik (*Clerk-cum-Computer Asst.*) and Shri Raju G.Naik (*Accountant*), who have been steadfastly executing the directives of the Trust, maintaining the records & accounts of the entire Trust Institutions and being instrumental in the smooth working of the Trust Office.

I take this opportunity to express thanks and gratitude on behalf of the Trust to all the stakeholders who have been instrumental in our growth. What sprouted as a dream of Dr. Dinkar Desai has now metamorphosed into a beautiful poetry, integrating education and social values. With your blessings and good wishes, Kanara Welfare Trust is sure to go a long way in transforming the young minds of Uttar Kannada.

## THE KANARA WELFARE TRUST RUN INSTITUTIONS

Dr. Dinkar Desai, a multi-faceted personality - an eminent poet in Kannada, a social worker par excellence and an eminent educationist came like a scourge on the scene of post independent Uttar Kannada District to drive away the illiteracy and ignorance of the people of our district. The intense feeling of empathy for the poor and downtrodden in him resulted in the establishment of the Kanara Welfare Trust in 1953 under the banner of which he founded educational institutions throughout the length and breadth of our district.

Kanara Welfare Trust mainly focuses upon the qualitative basic education, especially in the arena of Primary and High School education. Discipline and high degree of transparency are the salient features of our Trust run institutions. The fact that these institutions are captioned “Janata Vidyalaya” and were established with the co-operation of the rural folk speak volumes of Dr. Dinkar Desai’s organizing skill, his concern for the rural poor who were steeped in the mire of wretched poverty in those days and also his conviction that only education can uplift them from poverty and enable them to enjoy the cake of the decent life. The simple structure of the tiled roof of the buildings of the educational institutions in all the rural areas of our district has become a metaphor for simplicity and an inseparable feature of our Uttar Kannada along with the scenic beauty of the hills, the rivers, the Arabian sea and the cascading waterfalls reflecting the abundant pulchritude of Nature with which our district is surrounded.

With this backdrop, we endeavour to acquaint you with the Institutions run by the Trust by providing brief information about them.

## THAKKAR BAPA HOSTEL, HONNEKERI

This hostel, which was situated at Dandeli, was transferred to Ankola in June 1964. This campus was initially established to provide free boarding and lodging to the poor students of far-off villages. The inmates were admitted to the hostel irrespective of caste or creed. The Trust also provided them with clothing and text-books free of cost. As time progressed, the Govt. started building hostels for students of the backward communities in various places of the district. Slowly, the number of students in our hostel dwindled and the centre ceased functioning. The campus is now rented out to the Smt. Indira Gandhi Residential School and currently houses more than 100 students. Additional classrooms, dining hall, toilets & bathrooms were constructed by the Trust.

## LAND AT BHAVIKODLA, GOKARN, KUMTA

### *Medical Aid in Rural Areas*

THE provision of medical aid to the rural population is by far one of the most urgent needs to be met. Voluntary agencies can play an important part in this field by establishing dispensaries and maternity homes. Although our Trust would like to establish a network of such health units in the District, the difficulty in getting doctors cannot be easily overcome.

*The Kind of People visiting our Dispensary at Bankikodla*

A rural dispensary was established by the Trust at Bankikodla village in Kumta Taluk in 1959 with the financial help of the Dorabji Tata Trust, to provide allopathic and homeopathic medical treatment to the rural populace of the nearby villages. However, over the passage of time, and due to the availability of modern medical facilities in the Govt. run clinics and hospitals in the rural areas, the centre stopped functioning.

## LEASED LAND AT KODIBAG, KARWAR

This land at Sarvodaya Nagar, a fisherman colony, near Kodibag, Karwar, housed a Balwadi which was started during 1985-1986 jointly by the N.S.S. Unit of Divekar College of Commerce, Karwar and Shri Satya Sai Samiti, Kodibag. The Trust took over this School in November 1989 following a request by the Balawadi Development Committee. However, over the course of time, it was closed down due to lack of students. It is now rented out to a self-help group of Kodibag, Karwar.
